Project Description

Yellowstone City-County Health Department is the primary grantee for four HCH programs located in Billings, Helena, Missoula, and Butte, Montana. HCH services are provided at shelter based clinics and CHC based clinics.

Services

Services include primary care, mental health care, substance abuse treatment, dental care, case management, and outreach services.

Linkages

Linkages are provided at all four sites to various community agencies providing services, including substance abuse, respite care, residential services, domestic violence shelter, and vocational education.

Statistics

Estimated homeless population: 9.500 Project users: 2.661
