Notes:

- Additional and Specialty services provided only via Column III may be completely deleted from Scope. This is not allowed for Required Services.
- For applicable health centers, psychiatry may be added only if these services are currently being provided as described further in PAL 2014-07.
- Any updates beyond those included in the table above may not be updated as part of SAV, but you will have the opportunity to identify any inaccuracies through the SAV Certification page for Form 5A.

SAV Form 5B: Service Sites - Allowable Updates

For **each** site in your approved scope of project, you will review and update (if applicable) certain fields on Form 5B. Your SAV Form 5B reflects approved and verified sites as of 6/27/2014.

The following two new fields have been added to Form 5B:

- FQHC Site Medicare Billing Number Status – This is a required field that you need to complete
- FQHC Site National Provider Identification (NPI) Number – This is an optional field

You may also update the following fields if any are outdated or incorrect:

- Site Name
- Site Type (note exception below)
- Location Type (note exception below)
- Site Phone Number
- Web URL
- Site Setting
- FQHC Site Medicare Billing Number
- Total Hours of Operation
- Months of Operation
- Number of Contract Service Delivery Locations
- Number of Intermittent Sites
- Site Operated By (note exception below)
- Subrecipient/Contractor Organization Name, Address, and EIN

The following fields may not be updated as part of SAV, but you will have the opportunity to identify any inaccuracies through the SAV Certification page for Form 5B:

- Physical Site Address
- Site Type (cannot change between Administrative Site and Service Delivery Site or Service Delivery/Administrative Site).
- Location Type (cannot change between Seasonal or Permanent and Mobile, Intermittent, and Migrant Voucher Screening)
- Service Area ZIP Codes
- Site Operated by (cannot change from Health Center to Subrecipient or Contractor)

Note that 'Date Site was Added to Scope' and 'Site Operational Date' fields are linked to HRSA approval and verification dates and may not be updated as part of SAV or any other process.
