Board of Directors' Educational Training and Needs Survey

The following survey is being conducted in an effort to ensure that educational and training needs are being provided appropriately.

1. The monthly education and training that you receive at Board meetings adequately meets your expectations. Yes No
2. The monthly education and training that you receive at Board meetings equips you to perform your duties as a Director/Officer. Yes No
3. The monthly education and training that you receive at Board meetings is easy to understand. Yes No
4. Please list any additional training topics that you would like to receive at monthly meetings.

5. We would like to ensure that monthly Board meetings are as comfortable as possible, and that they are provided in an environment that is conducive to your learning needs. Please list any suggestions that you may have to assist us in improving SFHC's Board meeting environment.
