		Grant Number	Application Tracking Number
<b>Goal Details</b>			
<b>Required Goals</b> <i>(Select each required goal, one at a time, and complete all subsequent fields for the application to be deemed eligible.)</i>		<b>Description</b>	
<b>Goal A1</b>		Establish or enhance an integrated primary care/behavioral health model.	
<b>Goal A2</b>		Increase the number of patients screened for substance use disorders and connected to treatment via Screening, Brief Intervention, and Referral to Treatment (SBIRT) and other evidence-based practices.	
<b>Goal A3</b>		Increase the number of patients with health center-funded access to Medication-assisted Treatment (MAT) for opioid use and other substance use disorders treatment by: (1) adding at least 1.0 full time equivalent (FTE) substance abuse services provider(s) directly and/or through contract(s) within 120 days of award; and (2) adding new or enhancing existing substance abuse services directly and/or through contract(s) within 120 days of award.	
<b>Goal A4</b>		Coordinate services necessary for patients to achieve and sustain recovery.	
<b>Goal A5</b>		Provide training and educational resources, including updated prescriber guidelines, to help health professionals make informed prescribing decisions and address the over-prescribing of opioids.	
<b>Optional Goals</b> <i>(As desired, select optional goals, one at a time, and complete all subsequent fields.)</i>		<b>Description</b>	
<b>Goal B1</b>		Increase education, screening, care coordination, risk reduction interventions, and/or counseling regarding the availability of testing, treatment, and clinical management for patients with or at risk of HIV/AIDS, hepatitis C, and other diseases associated with opioid abuse.	
<b>Goal B2</b>		Enhance clinical workflows to improve substance abuse services.	
<b>Goal B3</b>		Enhance the use of health information technologies to improve the effectiveness of substance abuse services and increase patient engagement	
<b>Goal B4</b>		Educate patients and/or community members on opioid use disorders, including the use of opioid antagonists in preventing opioid overdose.	
<b>Note(s):</b> Identify a minimum of 2 and a maximum of 3 key factors for this goal including at least 1 contributing and 1 restricting factor.			
<b>Key Factors (Minimum 2) (Maximum 3)</b>			
<b>Key Factor Type</b>	<b>Description</b>		
(Contributing/Restricting)			
<b>Note(s):</b> Identify a minimum of 2 and a maximum of 5 activities planned under this goal.			

<b>Activities (Minimum 2) (Maximum 5)</b>
<b>Activity Description</b>
<b>Person/Area Responsible</b>
<b>Time Frame</b>
<b>Expected Outcome</b>

Public Burden Statement: An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control number for this project is 0915-0285. Public reporting burden for this collection of information is estimated to average 1 hour per response, including the time for reviewing instructions, searching existing data sources, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to HRSA Reports Clearance Officer, 5600 Fishers Lane, Room 10-33, Rockville, Maryland, 20857.
