Health Center Program
Substance Abuse Service Expansion
Quarterly Progress Report (SA QPR)

December 20, 2016
Agenda

- Introduction
- SA QPR Submissions
- Important Reminders
- Question and Answer
Themes in responses
- Issues and Barriers
- Successes and Lessons Learned
SA QPR reporting opens on January 1, 2017 in the Electronic Handbook (EHB) and is due on January 13, 2017.

Tips for the Next QPR Submission

- Question 1A– report the total number of physicians with a DATA waiver, as of the end of the reporting period
- If you report zero for Question 1A or 1B– describe your SA Service Expansion challenges and/or activities in the narrative section
