Empowering the Communities We Serve

Dr. James Ryan

Associate Vice President of Women's Health Services
Union Community Health Center, New York

Questions?

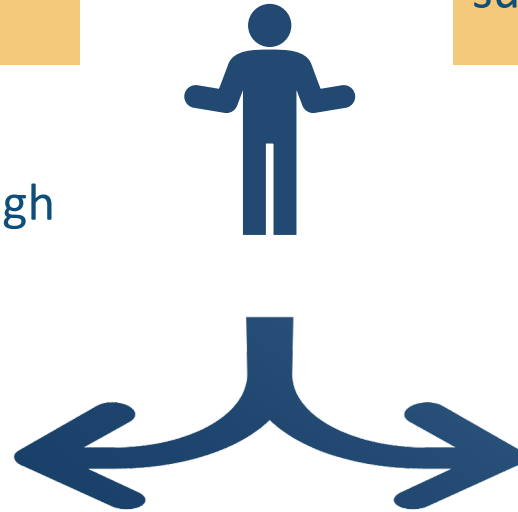

2023 Calendar Year: UDS Reporting

All health centers are **required** to submit **aggregated** UDS data.

- Submit aggregated UDS data through EHBs, using the traditional submission method
- Include all UDS tables and appendices
- This will be the official submission of record

Health centers also have the **option** to submit **patient-level data (UDS+)**.

UDS+ FHIR Implementation Guide provides architectural details and technical reporting specifications for submission.

2023 Calendar Year: Optional UDS+ Submission

1. Submit data for your entire universe of patients (not a subset)
2. Submit **all** the demographic tables data
 - **Table**: Patients by ZIP Code
 - **Table 3A**: Patients by Age and by Sex Assigned at Birth
 - **Table 3B**: Demographic Characteristics
 - **Table 4**: Selected Patient Characteristics
3. Submit **all or part of** the clinical tables data
 - **Table 6A**: Selected Diagnoses and Services Rendered – optional
 - **Table 6B**: Quality of Care Measures – submit 2 or more eCQMs from this table
 - **Table 7**: Health Outcomes and Disparities – submit 2 or more eCQMs from this table

2023 Calendar Year: Optional UDS+ Submission cont'd

- The UDS Test Cooperative (UTC) suggests health centers may be the most ready to submit these eCQMs:
 - **Table 6B: Quality of Care Measures**
 - ✓ Cervical Cancer Screening
 - ✓ Colorectal Cancer Screening
 - **Table 7: Health Outcomes and Disparities**
 - ✓ Controlling High Blood Pressure
 - ✓ Diabetes: Hemoglobin A1c (HbA1c) Poor Control (>9.0%)
- Health centers may choose any eCQM from these tables as long as they submit at least two measures from each table

REMEMBER:

Submit both demographic and clinical data for the entire patient population, not a subset of patients

Recently Released Awards

FY 2023 COVID-19 Bridge Funding for Health Centers

- \$81M, over 1,460 awards
- Helps continue equitable access to COVID-19 testing, vaccines, and treatment
- Supports the HHS Bridge Access Program and complements CDC's Bridge Access Program
- [Register for Bridge Funding Office Hours](#)
 - Wednesday, September 20, 2 – 3 p.m. ET

Recently Released Awards cont'd

FY 2023 Capital Assistance for Hurricane Response and Recovery Efforts

- \$68M, 111 health centers in Florida, North Carolina, South Carolina, and Puerto Rico
- Supports new construction, renovations, and infrastructure repairs

Recently Announced Opportunity

FY 2024 State and Regional Primary Care Association Cooperative Agreements

- Up to \$68M for up to 52 awards
- Provide T/TA to existing and potential Health Center Program award recipients and look-alikes
- Application deadlines
 - **Grants.gov:** October 31
 - **EHBs:** November 30

FY 2024 Funding

New Funding	President's Budget	House/Senate Action to Date
Behavioral Health Services (mandatory)	\$700 million	TBD
Expanded Hours (mandatory)	\$250 million	TBD
New Access Points (mandatory)	\$150 million	TBD
<i>Primary Care HIV Prevention (discretionary)</i>	<i>\$15 million new</i>	<i>House & Senate – no increase</i>
<i>Early Childhood Development (discretionary)</i>	<i>\$55 million new</i>	<i>House & Senate – no increase</i>
<i>Cancer Screening (discretionary)</i>	<i>\$10 million new</i>	<i>House & Senate – no increase</i>
Ongoing Program Funding	President's Budget	House/Senate Action to Date
Quality Improvement Fund	\$50 million	<i>House & Senate – no increase</i>
Primary Care Associations	\$68 million	<i>House & Senate – no increase</i>
Service Area Competition	\$1.7 billion	<i>House & Senate – no increase</i>
Native Hawaiian	\$27 million	<i>House & Senate – no increase</i>

Our Goal

Activate and accelerate the development and testing of low-cost, scalable technical assistance solutions to support health centers:

Enhance access to primary health care

Improve care coordination with other local providers and social service organizations to address social determinants of health

**Building Bridges
to Better Health:**

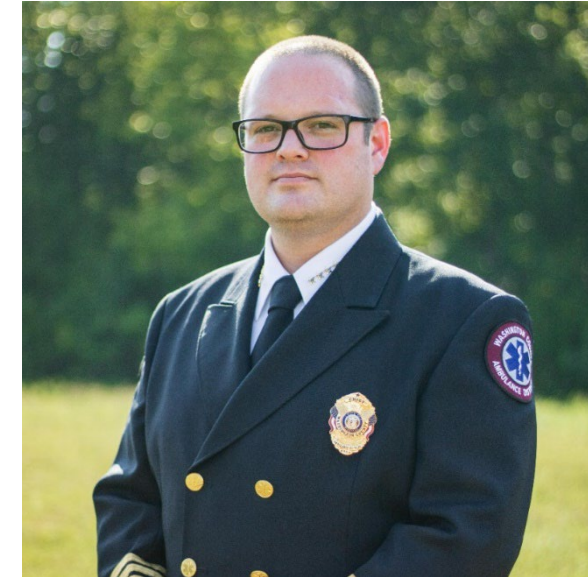

A Primary Health Care Challenge

How This Challenge is Important

- The first-ever primary health care challenge
- \$1M via 3 phases—spark innovation and improve the lives of health center patients
- Innovative collaborations and partnerships from all sectors
- 136 submissions received in phase 1 from 9 out of our 10 regions

The Winner's Circle

Justin P. Duncan

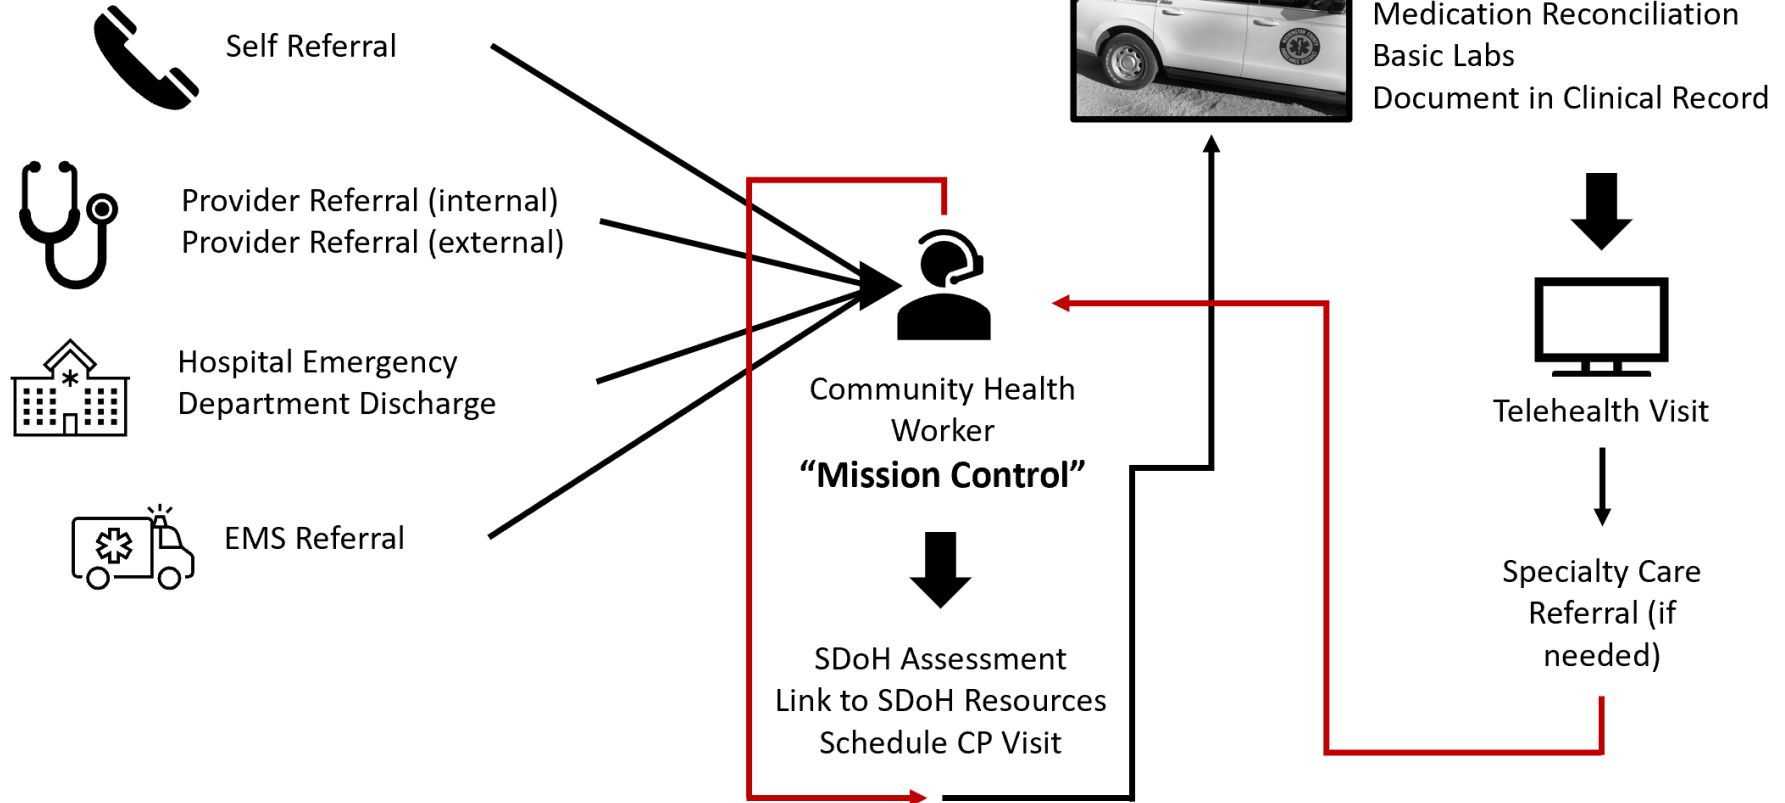

Chief Executive Officer

Washington County
Ambulance District, Missouri
