HRSA Health Center Program

Webinar Series   *To Support 2022 UDS Reporting*

This flyer outlines dates, times, registration information, and learning objectives for
2022 UDS Reporting Technical Assistance Webinars.

UDS Basics: Orientation to Terms and Resources

September 7, 2022, 1:00 PM – 2:30 PM (ET)
Register

Objectives: Learn about key terms and resources commonly used in UDS reporting. Describe the three key areas that are used to define program performance (operations, clinical, and finances). Detail the relationships between the UDS tables and forms and outline expectations and next steps for continued learning.

Intended Audience: ✓ Beginner

The Foundation of the UDS: Counting Visits and Patients

September 14, 2022, 1:00 PM – 2:30 PM (ET)
Register

Objectives: Learn what counts as a patient visit in the UDS (in-person and virtual), how a visit defines a patient, common questions around reporting visits, and reporting of treatment and other services provided to health center patients. Understand relationships in patient demographic and service tables, as well as the UDS Forms in the appendices (e.g., Health Center Health Information Technology Capabilities and Other Data Elements).

Intended Audience: ✓ Beginner

UDS Clinical Tables Part 1: Screening and Preventive Care Measures

September 21, 2022, 1:00 PM – 2:30 PM (ET)
Register

Objectives: Discuss reporting requirements for screening and preventive care clinical quality measures across the UDS clinical tables including: colorectal cancer, breast cancer, cervical cancer, tobacco, depression, adult BMI, and HIV screenings. The webinar will discuss reporting strategies and opportunities for quality improvement.

Intended Audience: ✓ Intermediate

UDS Clinical Tables Part 2: Maternal Care and Children's Health

October 5, 2022, 1:00 PM – 2:30 PM (ET)
Register

Objectives: Discuss reporting requirements for clinical quality measures related directly to maternal care and children's health across the UDS clinical tables, including early entry into prenatal care, deliveries and birth weight, childhood immunizations, dental sealants, and weight assessment and counseling for children and adolescents. The webinar will discuss reporting strategies and opportunities for quality improvement.

Intended Audience: ✓ Intermediate

UDS Clinical Tables Part 3: Chronic Disease Management

October 13, 2022, 1:00 PM – 2:30 PM (ET)
Register

Objectives: Discuss reporting requirements for clinical quality measures related to disease management across the UDS clinical tables, including depression remission, HIV linkage to care, hypertension, diabetes, statin therapy, and ischemic vascular disease. The webinar will discuss reporting strategies and opportunities for quality improvement.

Intended Audience: ✓ Intermediate

Reporting UDS Financial and Operational Tables

October 20, 2022, 1:00 PM – 2:30 PM (ET)
Register

Objectives: Review reporting requirements for UDS Tables 8A (and FTE on Table 5), 9D (and insurance and managed care on Table 4), and 9E, and discuss common reporting errors including 340(B) pharmacy and managed care reporting. The webinar will also review the Workforce Form, Appendix F.

Intended Audience: ✓ Intermediate

Successful Submission Strategies

November 3, 2022, 1:00 PM – 2:30 PM (ET)
Register

Objectives: Better understand the importance of UDS data collection and reporting, specifically focusing on assessing data for accuracy and quality. The session will cover utilizing available electronic handbooks (EHBs) reports and tools (i.e., health center trend report, comparison tool, etc.), working through your review (data audit report, edits, including how to utilize the EHBs system for review), and working with your reviewer for a successful submission.

Intended Audience: ✓ Advanced
