UDS Webinar Series   *To Support 2023 UDS Reporting*

This flyer outlines dates, times, registration information, and learning objectives for 2023 UDS Reporting Technical Assistance Webinar sessions.

UDS Basics: Orientation to Terms and Resources

September 13, 2023, 1 p.m. – 2:30 p.m. ET
Register **for the UDS Basics: Orientation to Terms and Resources Webinar**

You will learn: The webinar will describe key terms and resources commonly used in UDS reporting, the three key areas that are used to define program performance (operations, clinical, and finances), and a deep dive around counting visits. Participants will understand what counts as a visit, how a visit defines a patient, and common questions around reporting visits. It will detail the relationships between the UDS tables and forms and outline expectations and next steps for continued learning.

Intended Audience: ✓ **Beginner**

Clinical Quality Measures Deep Dive

September 21, 2023, 12:30 p.m. – 2 p.m. ET
Register **for the Clinical Quality Measures Deep Dive Webinar**

You will learn: Understanding that improved patient care happens when health centers are empowered to collect data and use quality data, this webinar will include a deep dive into measure specifications and workflows to improve the provision of care, data validation, data collection, and ultimately, accuracy of UDS reporting.

Intended Audience: ✓ **Beginner**

UDS Clinical Tables Part 1: Screening and Preventive Care Measures

October 3, 2023, 1 p.m. – 2:30 p.m. ET
Register **for the UDS Clinical Tables Part 1: Screening and Preventive Care Measures Webinar**

You will learn: This webinar will include the reporting requirements for screening and preventive care measures across the UDS clinical tables, including colorectal cancer, breast cancer, cervical cancer, tobacco, depression, adult body mass index (BMI), and HIV screenings. It will discuss reporting strategies and opportunities for quality improvement.

Intended Audience: ✓ **Intermediate**

UDS Webinar Series *To Support 2023 UDS Reporting*

UDS Clinical Tables Part 2: Maternal Care and Children's Health Measures

October 11, 2023, 1 p.m. – 2:30 p.m. ET

Register for the UDS Clinical Tables Part 2: Maternal Care and Children's Health Measures Webinar

You will learn: This webinar will include the reporting requirements for clinical quality measures related directly to maternal care and children's health across the UDS clinical tables, including early entry into prenatal care, deliveries and birth weight, childhood immunizations, dental sealants, and weight assessment and counseling for children and adolescents. It will discuss reporting strategies and opportunities for quality improvement.

Intended Audience: ✓ **Intermediate**

UDS Clinical Tables Part 3: Chronic Disease Management Measures

October 26, 2023, 1 p.m. – 2:30 p.m. ET

Register for the UDS Clinical Tables Part 3: Chronic Disease Management Measures Webinar

You will learn: This webinar will include the reporting requirements for clinical quality measures related to disease management across the UDS clinical tables, including depression remission, HIV linkage to care, hypertension, diabetes, statin therapy, and ischemic vascular disease. It will discuss reporting strategies and opportunities for quality improvement.

Intended Audience: ✓ **Intermediate**

Reporting UDS Financial and Operational Tables

November 7, 2023, 1 p.m. – 2:30 p.m. ET

Register for the Reporting UDS Financial and Operational Tables Webinar

You will learn: This webinar will include the reporting requirements for UDS Tables 8A (and full-time equivalent [FTE] on Table 5), 9D (and insurance and managed care on Table 4), and 9E. It will discuss common reporting mistakes including 340B pharmacy and managed care reporting.

Intended Audience: ✓ **Beginner** ✓ **Intermediate**

UDS Webinar Series   *To Support 2023 UDS Reporting*

Preliminary Reporting Environment

November 9, 2023, 1 p.m. – 3:00 p.m. ET
[Register](#) **for the Preliminary Reporting Environment Webinar**

You will learn: This webinar demonstrates how to access the PRE and two offline UDS reporting features: an Excel and an offline HTML feature. The UDS PRE, accessible through the Electronic Handbooks (EHBs), will open in the Fall of 2023 and allows health center awardees and look-alikes early access to prepare UDS data for submission. Data can be entered and validated before the UDS reporting period begins and will be pushed into the live reporting environment on January 1, 2024.

Intended Audience: ✓ Intermediate

Successful Submission Strategies

November 16, 2023, 1 p.m. – 2:30 p.m. ET
[Register](#) **for the Successful Submission Strategies Webinar**

You will learn: This webinar will review the importance of UDS data collection and reporting, specifically focusing on assessing data for accuracy. The session will cover utilizing available electronic handbooks (EHBs) reports and tools (health center trend report, comparison tool, etc.), working through your review (e.g., data audit report, edits, and how to utilize the EHBs system for review), and working with your reviewer for a successful submission.

Intended Audience: ✓ Advanced
