

The webinar flyer outlines dates, times, registration information, and learning objectives for 2020 UDS Reporting Technical Assistance Webinar sessions.

Reporting Visits in the UDS

September 16, 2020, 1PM – 2:30 PM (ET)

[Register](#) for the webinar and receive log-in information

You will learn: What counts as a visit in the UDS (in-person and virtual), how a visit defines a patient, common questions around reporting visits, telehealth, and what we learned from reporting virtual visits and selected service addendum in 2019.

UDS Clinical Tables Part 1: Screening and Preventive Care

September 24, 2020, 1PM – 2:30 PM (ET)

[Register](#) for the webinar and receive log-in information

You will learn: Reporting requirements for screening and preventive measures across the UDS clinical tables including tobacco, colorectal cancer, breast cancer, cervical cancer, depression, adult weight, and HIV screenings. The webinar will also cover reporting strategies, opportunities for quality improvement, impact of COVID-19, and overview of relevant HRSA initiatives.

UDS Clinical Tables Part 2: Maternal Care and Children's Health

September 30, 2020, 1PM – 2:30 PM (ET)

[Register](#) for the webinar and receive log-in information

You will learn: Reporting requirements for measures related directly to maternal care and children's health across the UDS clinical tables including early entry into prenatal care, deliveries, birth weight, childhood immunizations, dental sealants, and weight assessment and counseling for children and adolescents. The webinar will also cover reporting strategies, opportunities for quality improvement, impact of COVID-19, and overview of relevant HRSA initiatives.

UDS Clinical Tables Part 3: Disease Management

October 8, 2020, 1PM – 2:30 PM (ET)

[Register](#) for the webinar and receive log-in information

You will learn: Reporting requirements for measures related to disease management across the UDS clinical tables including depression remission, HIV linkage to care, hypertension, diabetes, statin therapy, and ischemic vascular disease. The webinar will also cover reporting strategies, opportunities for quality improvement, impact of COVID-19, and overview of relevant HRSA initiatives.

Reporting UDS Financial and Operational Tables

October 22, 2020, 1PM – 2:30 PM (ET)

[Register](#) for the webinar and receive log-in information

You will learn: Reporting requirements for the UDS financial tables 8A (and FTE on Table 5), 9D, and 9E. This webinar will also establish foundational financial language as used in UDS reporting and review COVID-19-related impacts across tables (i.e., donations, funding).

Comparison Performance Metrics from UDS Financial Tables

October 28, 2020, 1PM – 2:30 PM (ET)

[Register](#) for the webinar and receive log-in information

You will learn: Strategies and tips for evaluating reported UDS financial data on Tables 8A, 9D, and 9E, about opportunities to assess health center financial performance, and how to address common reporting mistakes (i.e., managed care, 340B pharmacy).

2020 Webinar Series

To Support 2020 UDS Reporting

UDS Virtual Office Hour: COVID-19 Reporting

November 2, 2020, 1PM – 2 PM (ET)

[Register](#) for the webinar and receive log-in information

One hour of Q+A for specific questions related to COVID-19 reporting and the UDS. The webinar registration form provides you the opportunity to ask COVID-19 reporting questions prior to the webinar.

UDS Reporting for Bureau of Health Workforce Awardees

November 12, 2020, 1PM – 2:30 PM (ET)

[Register](#) for the webinar and receive log-in information

You will learn: UDS reporting requirement differences from other Health Center Program awardees, unique program requirements, and of the review process for Bureau of Health Workforce awardees.
