

Webinar Series

To Support 2021 UDS Reporting

This flyer outlines dates, times, registration information, and learning objectives for 2021 UDS Reporting Technical Assistance Webinars.

Counting Visits in the UDS

September 15, 2021, 1:00 PM – 2:30 PM (ET)

[Register](#)

You will learn: What counts as a visit in the UDS (in-person and virtual/telehealth), how a visit defines a patient, and cross-table relationships with patient demographics. This webinar also explores common questions about reporting visits (including COVID-19 scenarios), and how to report treatment and other services provided to health center patients.

Intended Audience: ✓ Beginner

UDS Clinical Tables Part 1: Screening and Preventive Care

September 23, 2021, 1:00 PM – 2:30 PM (ET)

[Register](#)

You will learn: Reporting requirements for screening and preventive measures across the UDS clinical tables including tobacco cessation, colorectal cancer, breast cancer, cervical cancer, depression, adult BMI screening and follow-up, and HIV screenings. In addition, you will learn about reporting strategies, opportunities for quality improvement, and the impact of COVID-19 on screening and preventive care.

Intended Audience: ✓ Beginner (1st section) ✓ Advanced (2nd section)

UDS Clinical Tables Part 2: Maternal Care and Children's Health

September 28, 2021, 1:00 PM – 2:30 PM (ET)

[Register](#)

You will learn: Reporting requirements for measures related directly to maternal care and children's health across the clinical tables including early entry into prenatal care, deliveries and birth weight, childhood immunizations, dental sealants, and weight assessment and counseling for children and adolescents. In addition, you will learn about reporting strategies, opportunities for quality improvement, and the impact of COVID-19 on maternal care and children's-related measures.

Intended Audience: ✓ Beginner (1st section) ✓ Advanced (2nd section)

2021 Webinar Series *To Support 2021 UDS Reporting*

The flyer outlines dates, times, registration information, and learning objectives for 2021 UDS Reporting Technical Assistance Webinars.

UDS Clinical Tables Part 3: Chronic Disease Management

October 6, 2021, 1:00 PM – 2:30 PM (ET)

[Register](#)

You will learn: Reporting requirements for measures related to disease management across the clinical tables including depression remission, HIV linkage to care, hypertension, diabetes, statin therapy, and ischemic vascular disease. In addition, you will learn about reporting strategies, opportunities for quality improvement, and the impact of COVID-19 on chronic disease management.

Intended Audience: ✓ Beginner (1st section) ✓ Advanced (2nd section)

Reporting UDS Financial and Operational Tables

October 14, 2021, 1:00 PM – 2:30 PM (ET)

[Register](#)

You will learn: Reporting requirements for UDS Tables 8A (and FTE on Table 5), 9D (and insurance and managed care on Table 4), and 9E. You will learn how to avoid common reporting mistakes including mistakes related to 340(B) pharmacy and managed care reporting. The webinar will also review COVID-19 impact across financial tables.

Intended Audience: ✓ Beginner (1st section) ✓ Advanced (2nd section)

Successful Submission Strategies

October 20, 2021, 1:00 PM – 2:30 PM (ET)

[Register](#)

You will learn: The importance of UDS data collection and reporting, specifically focusing on assessing data for accuracy. The webinar will cover utilizing available Electronic Handbooks (EHBs) reports and tools (e.g., health center trend report, comparison tool), how to utilize the EHB system for review, and best practices for working with your reviewer for a successful submission.

Intended Audience: ✓ Advanced
