Recap

The first semi-annual progress report opens in EHB on February 1st and will cover the activities that occurred between September 1, 2023, through January 31, 2024.

For Question 1 under Project Status, select the status option that best describes your progress with the funded activities.

For Question 2 under Progress Assessment, only report on the activities in the focus area(s) selected in your work plan.

If there are new or changed activities listed in the approved workplan that impact your approved budget, an updated budget by cost category must be included with your submission.
