

DEPARTMENT OF HEALTH AND HUMAN SERVICES Health Resources and Services Administration PATIENT IMPACT FORM	FOR HRSA USE ONLY	
	Grant Number	Application Tracking Number
Instructions		
<ul style="list-style-type: none"> List the number of patients who received mental health services, SUD services, and treatment with medications for opioid use disorder (MOUD) in calendar year 2023. List the number of patients that you estimate will receive mental health services, SUD services, and treatment with MOUD in calendar year 2025 as a result of BHSE funding. Your estimated new, unduplicated health center patients may be added to your H80 patient target and part of an upcoming SAC. 		
Patient Impact		
<p>2023 Baseline Behavioral Health Services Patients: In the rows below, provide the total number of patients who received each service in calendar year 2023, even if it is zero.</p> <p>Note: The numbers you reported in UDS will be used to determine if you receive 5 points in Need.</p>		
1. Mental Health Services Patients (UDS Table 5, Row 20)		[whole number]
2. SUD Services Patients (UDS Table 5, Row 21)		[whole number]
3. Patients Receiving MOUD Treatment (UDS Appendix E, Question 1b)		[whole number]
<p>New Behavioral Health Services Patients: In the rows below, estimate the number of patients (new and existing) who do not currently receive each service (did not receive it in calendar year 2023) that will receive each service in calendar year 2025 as a result of BHSE funding.</p>		
4. New Mental Health Services Patients		[whole number]
5. New SUD Services Patients		[whole number]
6. New Patients Receiving MOUD Treatment		[whole number]
<p>2025 Behavioral Health Services Patients: EHBs will calculate these figures by adding the Baseline and New Patient figures above. If you adjust the numbers above, these figures will update. We will measure mental health and SUD services patient increases through UDS Table 5. We will measure patients receiving MOUD treatment through the UDS Appendix E.</p>		
7. Total 2025 Mental Health Services Patients		[whole number]
8. Total 2025 SUD Services Patients		[whole number]
9. Total 2025 Patients Receiving MOUD Treatment		[whole number]

Patient Target Impact: Enter the number of estimated unduplicated new patients (new to the health center) you will serve in 2025 as a result of BHSE funding. Count each estimated new patient only once, even if some new patients are expected to receive both mental health and SUD services. This number may be added to your H80 patient target if your BHSE funding continues beyond the 2-year period of performance.

10. Unduplicated Estimated New Patients (Patient Target Impact)

[whole number]

Public Burden Statement: Health centers (section 330 grant funded and Federally Qualified Health Center look-alikes) deliver comprehensive, high quality, cost-effective primary health care to patients regardless of their ability to pay. The Health Center Program application forms provide essential information to HRSA staff and objective review committee panels for application evaluation; funding recommendation and approval; designation; and monitoring. The OMB control number for this information collection is 0915-0285 and it is valid until 4/30/2026. This information collection is mandatory under the Health Center Program authorized by section 330 of the Public Health Service (PHS) Act ([42 U.S.C. 254b](#)). Public reporting burden for this collection of information is estimated to average 45 minutes per response, including the time for reviewing instructions, searching existing data sources, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to HRSA Reports Clearance Officer, 5600 Fishers Lane, Room 14N136B, Rockville, Maryland, 20857 or paperwork@hrsa.gov.
