

# **FY 2023 Health Center Program School-Based Service Expansion Technical Assistance Presentation for Applicants**

**Bureau of Primary Health Care (BPHC)  
Health Resources and Services Administration (HRSA)**

**Vision: Healthy Communities, Healthy People**

## Remember...

**Read the SBSE Notice of Funding Opportunity (NOFO)**

Available on the SBSE Technical Assistance webpage:

<https://bphc.hrsa.gov/funding/funding-opportunities/school-based-service-expansion/fy-2023-sbse>

# AGENDA

- Overview
- Application Components
- Technical Assistance Resources
- Key Takeaways

# Overview

# Purpose

To **expand access to primary health care services, including mental health services,** through Health Center Program award recipients' new and/or existing **service delivery sites located at schools.**

# Achieving the Purpose

- Expand one or more services at **existing or new** school-based service sites:
  - General primary medical care
  - Mental health\*
  - Substance use disorder
  - Oral health
  - Vision
  - Enabling services

\*If you do not already provide mental health services at each proposed school-based service site, you must expand mental health services and offer these services at each proposed site

# Key Terms: *School-Based Service Sites*

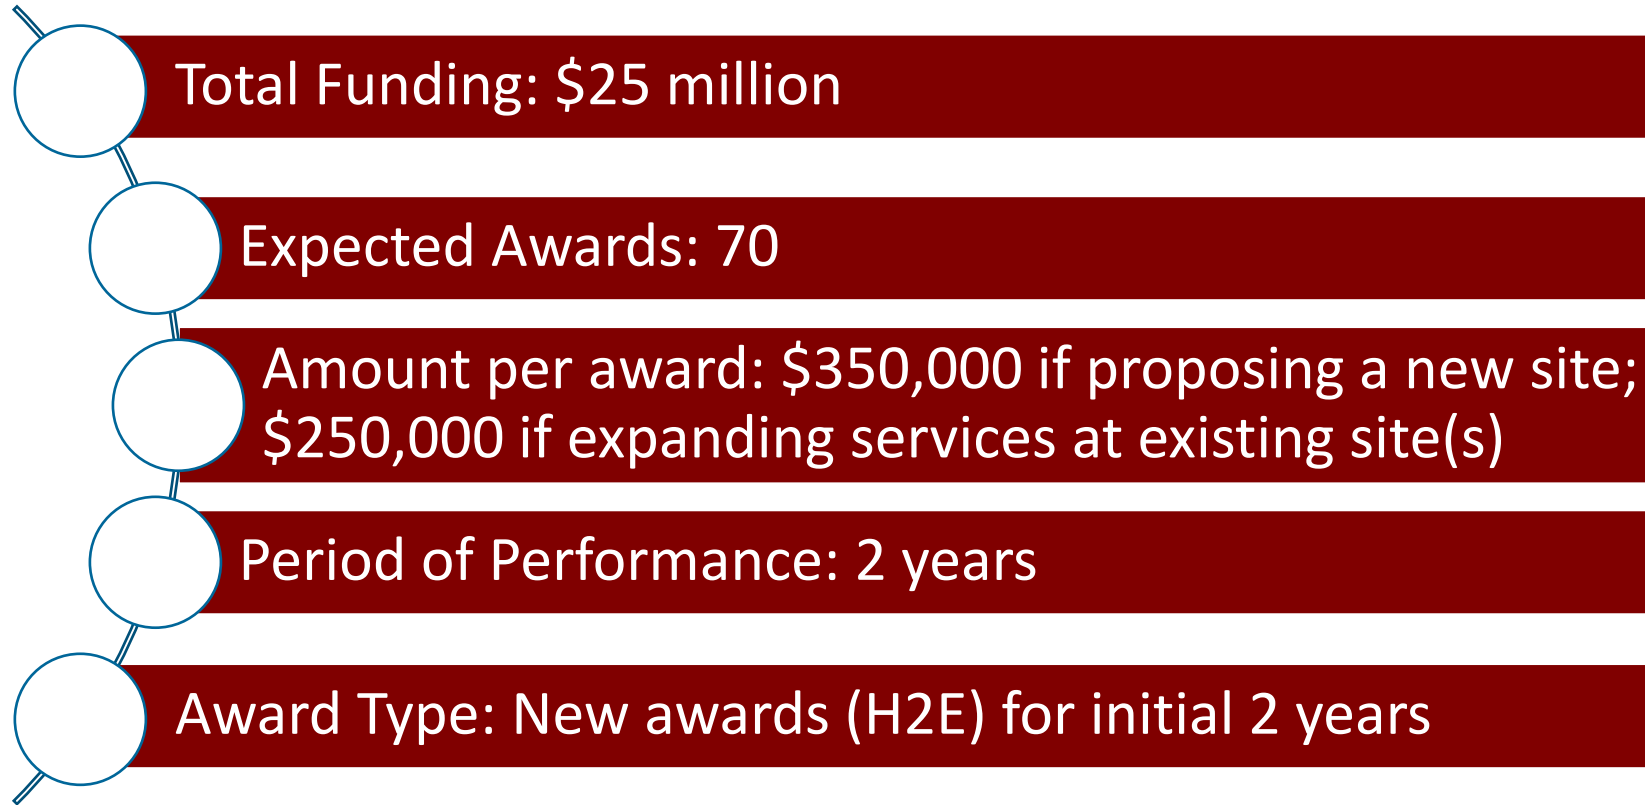

Health Center Program operational funding (H80) award recipient service delivery sites located:

- In schools, or
- On the grounds of a school,

Schools include preschool, elementary, middle, and high schools

# Award Information

Will not receive funding if:

- ➡ No longer an active H80 health center
- ➡ Have any 30-day conditions at the time of funding decisions

# Eligibility

---

- Applicants must:
  - ✓ Be an existing H80 Health Center Program award recipient
  - ✓ Currently operate or propose a new school-based service site
- For each school-based service site included in your application:
  - ✓ Propose to expand services
  - ✓ Provide mental health services or propose to expand mental health services
  - ✓ Submit School Commitment Documentation signed by school or school district officials specifying support for each new or existing school-based service site
  - ✓ Ensure Form 5B: Service Sites indicates 'school' site setting

# Program Requirements and Expectations

- Increase the number of school-based patients served
- Address youth mental health crisis by providing mental health services at each school-based site
- Open new school-based service sites within **120 days of award**

# Application Components

# Two-Phase Application Process

**Phase 1:  
Grants.gov**

**Phase 2:  
Electronic  
Handbooks  
(EHBs)**

- Ensure your registration is up to date in [SAM.gov](https://sam.gov) and [Grants.gov](https://grants.gov) as soon as possible
- Meet both the Grants.gov and EHBs deadlines

# Application Components

Grants.gov

EHBs

- SF-424: Application for Federal Assistance
- Project Abstract Summary
- Project/Performance Site Locations
- Grants.gov Lobbying Form
- Key Contacts

- Project Narrative
- Budget Presentation
  - SF-424A: Budget Information Form
  - Budget Narrative
- Program-Specific Forms
- Attachments

*Applications must not exceed 60 pages*

# Project Narrative and Review Criteria

## Introduction

- Summarize information about your school-based sites

## Need (15 points)

- Describe clinical and health-related social needs and barriers to care

## Response (30 points)

- Work Plan and narrative description of school-based services (15 points)
- Describe culturally affirming care (10 points)
- Patient estimates (5 points)

# Project Narrative and Review Criteria continued

## Collaboration (15 points)

- Describe collaboration with schools/school districts and other providers

## Resources/Capabilities (20 points)

- Describe your capabilities to successfully expand school-based services

## Evaluative Measures (10 points)

- Describe how you will measure success and engage in QI/QA

## Support Requested (10 points)

- Provide a budget request that will support successful school-based service expansion

# Align SF-424A with Budget Narrative

★ Section B - Budget Categories <span>Update</span>			
Object Class Categories	Grant Program Function or Activity		Total
	Federal	Non-Federal	
Personnel	\$0.00	\$0.00	\$0.00
Fringe Benefits	\$0.00	\$0.00	\$0.00
Travel	\$0.00	\$0.00	\$0.00
Equipment	\$0.00	\$0.00	\$0.00
Supplies	\$0.00	\$0.00	\$0.00
Contractual	\$0.00	\$0.00	\$0.00
Construction	\$0.00	\$0.00	\$0.00
Other	\$0.00	\$0.00	\$0.00
Total Direct Charges	\$0.00	\$0.00	\$0.00
Indirect Charges	\$0.00	\$0.00	\$0.00
Total	\$0.00	\$0.00	\$0.00

Submit a budget narrative for each year of the 2-year project

# Ineligible Costs

---

- Costs not aligned with the SBSE purpose
- Costs for services and activities that are not provided directly by or on behalf of the health center and health center project
- Costs already paid for by H80 or supplemental funding
- Purchase or upgrade of an electronic health record (EHR) that is not certified by the Office of the National Coordinator for Health Information Technology
- Purchase of vehicles (mobile units are allowed)
- New construction activities, including additions or expansions
- Major alteration and renovation (A/R) projects valued at \$500,000 or greater in total federal and non-federal costs (excluding the cost of moveable equipment)
- Purchase and installation of trailers and pre-fabricated modular units

# Attachments

1. **School Commitment Documentation** (required for eligibility for each site)
  - Signed by school/school district official
  - Specifies support for proposed school-based service expansion
  - Includes school name and address where site is/will be located
2. Map of New School-Based Service Site Location (as applicable)
3. Health Center Letter of Support (as applicable)
4. Summary of Contracts/Agreements (as applicable)
5. Other Relevant Documents (as applicable)

# Program-Specific Forms

1. Project Overview Form
  - Project Work Plan
  - Patient Impact
  - Scope Verification
2. Form 1B: Funding Request Summary
3. Form 5B: Service Sites (required for addition of new sites)
4. Minor Alteration/Renovation (A/R) Information (if applicable)
5. Equipment List (if applicable)

# Project Overview Form: **Work Plan**

Service Category (1 or more)	Activity Category (1 or more)	Activity Description
<ul style="list-style-type: none"><li>■ Primary medical care</li><li>■ Mental health</li><li>■ Substance use disorder</li><li>■ Oral health</li><li>■ Vision</li><li>■ Enabling</li></ul>	<ul style="list-style-type: none"><li>➤ Access to services</li><li>➤ Quality, patient care, and safety</li><li>➤ Workforce</li><li>➤ Patient experience and health-related social needs</li><li>➤ Other</li></ul>	<ul style="list-style-type: none"><li>✓ Provide a brief narrative for each proposed activity, including how each activity will support service expansion at school-based service sites</li></ul>

You must select the mental health service category if you are not already providing mental health services at each proposed school-based service site

# Project Overview Form, continued

---

## Patient Impact

- Number of patients served at school-based service delivery sites
  - 2022 (aligned with UDS report)
  - 2024 estimate

## Scope of Project

- Indicate if changes will be required to Form 5A or 5C
  - Provide overview of changes and timeline
  - Add new sites on Form 5B in your application, if applicable

## Mental Health Certification

- Certify that mental health services are currently provided or will be provided at each school-based service site included in the application

# Form 1B: Funding Request Summary

---

- Request up to \$150,000 for equipment and/or minor A/R in year 1, if desired
- Indicate if requesting funds for:
  - Equipment (no minor A/R)
  - Minor A/R with equipment
  - Minor A/R without equipment
  - N/A (no funding requested for equipment or minor A/R)
- Indicate if proposing to add a new school-based service site (permanent or mobile) within your existing service area
- Indicate if services will be expanded at an existing school-based service site
- Certify that all required School Commitment Documentation is included

# Form 5B: Service Sites

- Required if you do not already operate a school-based service site where you will expand services
- Proposed new school-based service site(s) must meet the service site definition
- You may **not** expand your service area through this application
- See the Scope of Project webpage for more resources:  
<https://bphc.hrsa.gov/compliance/scope-project>

A **service site** is a location where you provide primary health care services.

A **school-based service site** must be in a school or on school grounds (e.g., mobile site).

# One-Time Funding

Minor  
Alteration/  
Renovation  
(A/R)

Equipment

Up to  
\$150,000  
(in year 1 only)

**Remember:**  
*School-based  
service sites must be  
open and  
operational within  
120 days of award*

# Minor A/R

---

Complete program-specific forms and submit attachments in EHBs:

- ✓ Alteration/Renovation Project Cover Page (*Form*)
  - Environmental Information and Documentation Checklist (*Attachment*)
  - A/R Project Budget Justification (*Attachment*)
  - Floor Plans/Schematic Drawings (*Attachment*)
- ✓ Other Requirements for Sites (*Form*)
  - Property Information (*Attachment*)
  - Landlord Letter of Consent, as applicable (*Attachment*)

# Equipment vs. Supplies

## Equipment

- Useful life exceeds one year
- Per-unit acquisition cost of \$5,000 or more
- Complete Equipment List Form

## Supplies

- Items that cost less than \$5,000
- Do not include supplies on Equipment List Form

# Key Takeaways

- Purpose: Expand access to primary health care services, including mental health services, through Health Center Program award recipients' service delivery sites located at schools
- School-based service sites must be located at or on the grounds of schools (pre-k through high school)
- Submit School Commitment Documentation signed by school or school district officials specifying support for each school-based service site included in the application
- If you do not already provide mental health services at each proposed school-based service site, you must:
  - Propose to expand mental health services, and
  - Provide it at each proposed school-based service site

# Thank You!
