Health Center Program

Purpose

To support new health center service delivery sites to expand affordable, accessible, and high-quality primary health care for underserved communities and populations.

NAP Objectives

Within 120 days of the Notice of Award:

1 Open all proposed sites and begin delivering services

2 Demonstrate compliance with all Health Center Program requirements

Eligibility Requirements

1 Non-profit organization or public agency

2 Provide all required health services to medically underserved populations

3 Propose at least one full-time service delivery site that provides primary medical care as its main purpose

4 Make services accessible to all in the proposed service area

5 Service delivery site address must not be in the same building as a current health center site

6 Serve a Medically Underserved Area or Population (New start applicants only)

7 Consult with public housing residents as you plan your NAP project (PHPC applicants only)

8 Use funds to add to and not replace current resources for people experiencing homelessness and public housing residents (HCH and PHPC applicants only)
