# Recap

The first semiannual progress report opens in EHB on January 1<sup>st</sup> and will cover the activities that occurred between September 1, 2022, through December 31, 2022.

For Question 1 under Project Status, select the status options to describe the progress with the funded activities.

“Completed” under Question 1 refers to the status of PCHP activities. The “Completed” option will be disabled until the 6<sup>th</sup> and final FY22 PCHP Progress Report.

If there are new or changed activities listed in the approved workplan that impact your approved budget, an updated budget by cost category must be included with your submission.
