| Progress Report Timeline | EHB Module opens January 1, 2023  
Reporting Deadline January 15, 2023 |
| Three Objectives | • Increase the number of patients counseled and tested for HIV.  
• Increase the number of patients prescribed PrEP.  
• Increase the number of patients linked to HIV care and treatment within 30 days of diagnosis. |
| Four Focus Areas | • PrEP Prescribing  
• Outreach  
• Testing  
• Workforce Development |
Progress Report Form Questions

Question 1: Project Status

Choices:
1. Not Started
2. Less Than or equal to 50% Complete
3. Greater Than 50% and Less Than 100% Completed
4. Completed (only available as option in the 6th and final FY22 PCHP Progress Report.)

Question 2: Progress Assessment (Not Yet Started, Partially Implemented, and Fully Implemented)

2. Outreach Status
3. Testing Status
4. Workforce Development Status

Question 3: Are the implemented or planned activities described above and associated with the use of the funds consistent with your approved PCHP application?

Question 4: Are there or do you anticipate any issues or barriers in the use of the funding and/or implementing the planned activities consistent with your approved PCHP application?
The first semiannual progress report opens in EHB on January 1st and will cover the activities that occurred between September 1, 2022, through December 31, 2022.

For Question 1 under Project Status, select the status options to describe the progress with the funded activities.

“Completed” under Question 1 refers to the status of PCHP activities. The “Completed” option will be disabled until the 6th and final FY22 PCHP Progress Report.

If there are new or changed activities listed in the approved workplan that impact your approved budget, an updated budget by cost category must be included with your submission.
