Funding Opportunity Overview

FY 2024 PCA NOFO Purpose

The Health Resources and Services Administration (HRSA) will fund up to 52 eligible organizations to provide training and technical assistance (T/TA) that will support health centers in improving the health of individuals and communities by:

- Increasing access to comprehensive, culturally competent, high-quality primary health care services;
- Recruiting and retaining a diverse health care workforce;
- Preparing for, responding to, and recovering from emergent health events;
- Implementing value-based care delivery and ensuring financial sustainability; and
- Accelerating data-informed improvements to operations, clinical quality, and care coordination.

Funding Opportunity Overview

Funding Details

Approximately \$68.3 million to fund 52 PCAs.

Award amounts will be based on the maximum amounts allowable for each state or region.

Funding will be for a 3-year period of performance (July 1, 2024 – June 30, 2027).

Awards will be made on or around July 1st, 2024.

Funding will be provided in the form of a cooperative agreement with HRSA
