

National Hypertension Control Initiative-Health Centers (NHCI-HC) Webinar

Progress Report Updates

Pre-Recorded Presentation

November 28, 2022

Submission Timeline

Progress reports are due to HRSA semi-annually (July, January) by all NHCI awardees.

Date	Activity
December 19	Pre-recorded webinar available on NHCI TA webpage
January 1	Progress Report Module (PRM) opens in EHBs
January 18	Progress Report due in EHBs

- All Progress Reports must be received in the EHBs by January 18, 2023.
- Health Centers cannot request extensions for Progress Reports.

Progress Report Format

Progress report will:

- Be completed in EHBs
- Consist of four questions
- Provide updates on activities from **July 1, 2022 – December 31, 2022**
- The questions will be similar to prior NHCI Progress Reports, with a few minor updates to question format

Updates – NHCI-HC Progress Report Form

- Question 2 (each sub question) and Question 4 will now include a separate textbox to include **Successes/Promising Practices** and **Lessons Learned**
 - **Successes / Promising Practices:** Discuss what has worked well or any positive outcomes resulting from the project during this reporting period. Also, use this space to describe best or promising practices, as applicable, and include any supporting data, if available
 - **Lessons Learned:** Describe any knowledge gained from the process of conducting or implementing the project during this reporting period. This includes positive and negative experiences

Updates – NHCI-HC Progress Report Form

- Question 2b – Participation in National Training and Technical Assistance Activities
 - **A checkbox is now included to select the T/TA organization(s) that provided the activity that you attended (i.e. AHA, Altarum, Million Hearts, etc.)**

Check all that apply for this reporting period: Minimum (1) selection

- AHA
- Altarum
- Million Hearts
- American Medical Association
- Regional/State PCA
- Other (requires text response)
- None (requires text response)

Other Reminders

- **Patient majority requirement**
 - This number is calculated from the 2019 UDS total or your 2020 data to date from your EHR universe provided as part of your work plan in your original application. This is not your current total number of patients with hypertension
 - Please revisit your patient majority number to ensure you are on track with making SMBP devices available to the correct number of patients
- **Your health center's national T/TA group assignment**
 - Group 1 – American Heart Association
 - Group 2 – Altarum Institute
- **T/TA attendance requirement**
 - At least one T/TA event per reporting period
 - Includes those offered by HRSA, and HRSA's national partners, such as CDC's SMBP Forum/Million Hearts, or NACHC
 - Listening to past webinar recordings acceptable
