4. Reviewing and Submitting the FY 2019 NAP Application to HRSA ................. 73
This user guide describes the steps you need to follow to submit a Fiscal Year (FY) 2019 New Access Points (NAP) application to the Health Resources and Services Administration (HRSA). This user guide does not replace the Notice of Funding Opportunity, which details the NAP program requirements and the instructions for application development. See the NAP technical assistance webpage at http://bphc.hrsa.gov/programopportunities/fundingopportunities/NAP for additional resources.

1. Starting the FY 2019 NAP Application

Complete and submit the FY 2019 NAP application by following a two-step process:

1. Locate the funding opportunity in Grants.gov, download the application package, and submit the required application forms in Grants.gov. To find the application package, search by the announcement number HRSA-19-080 in Grants.gov.

2. You must then validate, complete, and submit this application in the HRSA Electronic Handbooks (EHB). To validate the Grants.gov application, log into EHB and click on the Grant Applications link under the Tasks tab (Figure 1, 1) and then click on the Grants.Gov Application Pending Validation: Validate link (Figure 1, 2). You will need your Grants.gov and EHB tracking numbers (emailed after successful Grants.gov submission) (Figure 2).

IMPORTANT NOTE: If you do not have a username, you must register in EHB. Do not create duplicate accounts. If you experience log in issues or forget your password, contact Health Center Program Support at https://bphccommunications.secure.force.com/ContactBPHC/BPHC_Contact_Form or (877) 464-4772.

Figure 1: Grant Applications Link
IMPORTANT NOTE: Refer to the HRSA SF-424 Two Tier Application Guide (http://www.hrsa.gov/grants/apply/applicationguide/sf424programspecificappguide.pdf) for details related to submitting the application in Grants.gov and validating it in EHB.

Once the application is validated in EHB, you can access it in your pending tasks. To access the application in EHB, follow the steps below:

1. After logging into EHB, click the Tasks tab on the EHB Home page to navigate to the Pending Tasks – List page.
2. Locate the NAP application using the EHB application tracking number and click the Start link to begin working on the application in EHB.
   - The system opens the Application - Status Overview page of the application (Figure 3).
Figure 3: Application - Status Overview Page

The application consists of a standard section and a program specific section. You must complete the forms displayed in both sections to submit your application to HRSA. Click Update to access each section.

2. Completing the Standard SF-424 Section of the Application

The standard SF-424 section of the application consists of the following main sections:

- **Basic Information** (Figure 3, 1)
- **Budget Information** (Figure 3, 2)
- **Other Information** (Figure 3, 3)

2.1 Completing the Basic Information Section

The Basic Information has been imported from Grants.gov and has undergone a data validation check. You may edit this information if necessary. Only the fields marked with a star * are required for completion. This section consists of the following forms:

- The **SF-424 Part 1** form displays basic information about the application and the applicant organization.
- The **SF-424 Part 2** form displays information about the proposed project, including: the project title, project period, cities, counties, and Congressional districts affected by the project.
  - The Project Abstract has been imported from Grants.gov and placed under the Project Description section (Figure 4, 1). You may update the abstract as necessary, by clicking the
In the Congressional Districts field, select the congressional district where the applicant organization is located. Also select the congressional district where the new access point is located. If you need to include additional congressional districts, you may upload an attachment with the relevant information by clicking the Attach File button on the ‘Additional Program/Project Congressional Districts’ line.

For the Proposed Project Period, enter 9/01/2019 to 8/31/2021.

The Estimated Funding section will update automatically when edits are made to the Budget Information section.

Refer to the HRSA SF-424 Two Tier Application Guide (http://www.hrsa.gov/grants/apply/applicationguide/sf424programspecificappguide.pdf) for details related to the Executive Order 12372 process.

- The Project/Performance Site Location(s) form, provided in Grants.gov, displays the site locations where you propose to provide services through the proposed NAP project. You may update the information provided from Grants.gov.
- In the Project Narrative form, attach the Project Narrative by clicking the Attach File button (Figure 5, 1). See the FY 2019 NAP Notice of Funding Opportunity for detailed requirements for the Project Narrative.

3.1 Form 1A: General Information Worksheet

Form 1A - General Information Worksheet provides a summary of information related to the applicant, proposed service area, and patient and visit projections. This form is comprised of the following sections:

- **Applicant Information** (Figure 20, 1)
- **Proposed Service Area** (Figure 20, 2)
Figure 20: Form 1A: General Information Worksheet
3.1.1 Completing the Applicant Information Section

The Applicant Information section is pre-populated with application and grant-related information, as applicable. Complete this section by providing information in the following required fields (Figure 21):

1. In the ‘Fiscal Year End Date’ field, select month and day of the applicant organization’s fiscal year end date (e.g., June 30) to inform HRSA of the expected audit submission timeline in the Federal Audit Clearinghouse (https://harvester.census.gov/facweb/default.aspx).
2. Select one category in the ‘Business Entity’ field. An applicant that is a Tribal or Urban Indian entity and meets the definition for a public or private entity should select the Tribal or Urban Indian category.
3. Select one or more categories for the ‘Organization Type.’ If you choose to select ‘Other’ as one of the Organization Type values (Figure 21, 1), you must specify the organization type.

3.1.2 Completing the Proposed Service Area Section

The Proposed Service Area section is further divided into the following sub-sections:

- **2a. Service Area Designation**
- **2b. Service Area Type**
- **2c. Patients and Visits**
  - Unduplicated Patients and Visits by Population Type
  - Patients and Visits by Service Type

3.1.2.1 Service Area Designation

In the Select MUA/MUP field (Figure 22, 1), select the options that best describe the designated service area you propose to serve. Enter ID number(s) for the MUA and/or MUP in the proposed service area. To find out if a designated MUA or MUP is located in your proposed service area, see https://data.hrsa.gov/tools/shortage-area/mua-find.

**IMPORTANT NOTE:** If you are applying for Community Health Centers funding, you must provide an ID number for at least one of the line items listed in this field. Otherwise, providing an MUA or MUP ID number is optional.
3.1.2.2 Service Area Type

In the Service Area Type section (Figure 23), indicate whether the service area is Urban or Rural. If Rural is selected, then Sparsely Populated may also be selected. When Sparsely Populated is selected, also specify the population density by providing the number of people per square mile (values ranging from 0.01 to 7).

**IMPORTANT NOTE:** For information about rural populations, visit the Office of Rural Health Policy’s website (http://www.hrsa.gov/ruralhealth/policy/definition_of_rural.html).

3.1.2.3 Patients and Visits

To complete this section, follow the steps below:

1. In the Unduplicated Patients and Visits by Population Type section, provide the total number of patients and visits projected to be served from January 1, 2020 to December 31, 2020 (Figure 24, 1). The system will auto-populate the number in the Total row of the Patients column under the ‘Projected by December 31, 2020 (January 1 - December 31, 2020)’ heading (Figure 24, 3) when you click the Save or Save and Continue button.

2. Provide the number of patients and visits that you project to serve annually under the ‘Projected by December 31, 2020 (January 1 - December 31, 2020)’ heading for each listed population type (Figure 24, 2). Patients and visits must not be duplicated across the population types (i.e., an individual can only be counted once as a patient).
IMPORTANT NOTES:

- Projected values should include ONLY the number of new patients who are projected to receive services as a direct result of NAP funding from January 1, 2020 – December 31, 2020. Patient projections from this section will be added to the applicant’s overall Patient Target, if funded.

- For the population types corresponding to the sub programs selected in Section A – Budget Summary form of this application, the number of patients in the Projected by December 31, 2020 column (Figure 24, 3) must be greater than zero. For the remaining population types, zeroes are acceptable if there are no projected numbers.

- The number of projected visits (Figure 24, 4) must be greater than or equal to the number of projected patients (Figure 24, 3).

- The ‘General Underserved Community’ row should include all patients and visits not captured in the special populations rows.

3. In the Patients and Visits by Service Type section, provide the annual number of patients and visits that you project to serve from January 1, 2020 to December 31, 2020 for each applicable service type (Figure 25, 1). An individual who receives multiple types of services should be counted once for each service type (e.g., once for medical and once for dental).
**IMPORTANT NOTES:**

- For ‘Total Medical Services’ ([Figure 25, 2](#)), the number of patients must be greater than the number of patients you provide for each of the ‘Total Dental’, ‘Total Mental Health’, ‘Total Substance Abuse Services’, and ‘Total Enabling Services’ service types.

- The number of projected visits ([Figure 25, 4](#)) must be greater than or equal to the number of projected patients ([Figure 25, 3](#)).

- The Patients and Visits by Service Type section does not have a row for total numbers, since an individual patient may be included in multiple service type categories.

4. After completing all sections of **Form 1A**, click the Save and Continue button to save your work and proceed to the next form.

### 3.2 Form 1C: Documents on File

**Form 1C - Documents on File** displays a list of documents to be maintained by your organization.

1. To complete **Form 1C**, enter the review/revision dates for each document listed on this form ([Figure 26](#)). The headings on Form 1C such as Clinical Staffing, etc., are also hyperlinks to the corresponding chapters of the Health Center Program Compliance Manual.
Figure 26: Form 1C: Documents on File

**IMPORTANT NOTE:** Examples of formats to provide dates on this form are 01/15/2019, First Monday of every April, bi-monthly (last rev 01/19).

2. After completing all sections of **Form 1C**, click the Save and Continue button to save your work and proceed to the next form.
3.3 Form 4: Community Characteristics

Form 4: Community Characteristics reports current service area and target population data for the NAP scope of the project (i.e. all NAP sites). “Service Area Population” refers to the entire population in the proposed service area.

To complete Form 4, follow the steps below:

1. Enter the Service Area Population (Figure 27, 6) and corresponding Target Population Number (Figure 27, 7) for each of the following categories. Target Population data is a subset of Service Area Population data, and in most cases, is greater than the number of patients projected on Form 1A. Patient data should not be used to report target population data since patients are typically a subset of all individuals targeted for service.
   a. Race and Ethnicity (Figure 27, 1)
   b. Hispanic or Latino Ethnicity (Figure 27, 2)
   c. Income as a Percent of Poverty Level (Figure 27, 3)
   d. Principal Third Party Payment Source (Figure 27, 4)

**IMPORTANT NOTES:**

- Information provided regarding race and/or ethnicity will be used only to ensure compliance with statutory and regulatory Governing Board requirements. Data on race and/or ethnicity collected on this form will not be used as an awarding factor.
- When entering data, the total Service Area Population Numbers for Race, Hispanic or Latino Ethnicity, Income as a Percent of Poverty Level, and Primary Third-Party Payment Source sections must be equal. Similarly, the total Target Population Numbers for Race, Hispanic or Latino Ethnicity, Income as a Percent of Poverty Level, and Primary Third-Party Payment Source sections must be equal.

2. To automatically calculate the Total Service Area Population Numbers and Total Target Population Numbers for all four sections, click on the Save and Calculate Total button (Figure 27, 8) under any of the sections. The system will also auto-calculate the population percentages.

3. Under the Special Populations and Select Population Characteristics section (Figure 27, 5), enter the Service Area Population and the corresponding Target Population Number for each population group listed. Individuals may be counted in multiple population groups, so the numbers in this section do not have to match those in the other sections of this form.

IMPORTANT NOTES:

- If you select the sub programs related to special populations (i.e. MHC, HCH and/or PHPC) in the Budget Information – Section A–C form of this application, you must provide a value greater than zero (0) for the Service Area Population and Target Population Number for the corresponding ‘Migratory/Seasonal Agricultural Workers and Families,’ ‘Homeless,’ and/or ‘Residents of Public Housing’ line item(s), as appropriate for your funding selection.

- In the ‘Other’ row (Figure 27, 9), you may specify a population group that is not listed (if desired), and then enter the Service Area Population and the corresponding Target Population Number for the specified population group.

4. After completing all the sections on Form 4, click the Save and Continue button to save your work and proceed to the next form.

3.4 Form 1B: Funding Request Summary

Form 1B: Funding Request Summary collects the funding request for the NAP application.

1. For each sub program you requested funding in Section A – Budget Summary, enter Operational Funds (Figure 28, 1) for Year 1.

2. Enter an amount for One-Time Funding for Year 1 (Figure 28, 2), if appropriate.

3. The combined total of the Operational Funds for each sub program and the One-Time Funding for Year 1 must equal to the Total Federal funds requested in the Section A – Budget Summary form.

IMPORTANT NOTES:

- Before completing this form, the SF-424A: Budget Information forms must be completed. You must request Operational Funds that are greater than $0 for every sub program you selected in the Section A – Budget Summary form in the standard section of this NAP application.

- You may request One-Time Funding for Year 1 of up to $150,000. If requested, the One-Time Funding amount must match the sum of the ‘Equipment’ and ‘Construction’ rows in the Section B – Budget Categories form in the standard section of this NAP application.

- The combined total of the Operational Funds and the One-Time Funding for Year 1 must not exceed the NAP maximum funding amount of $650,000.
4. Click the **One-time funds will be used for**: radio button (Figure 28, 3) that describes how you will use one-time funds if requested (Equipment only, Minor alteration/renovation with equipment, or Minor alteration/renovation without equipment). Select the “N/A” radio button if you are not requesting One-Time Funding.
5. Year 2 Operational Funds in Form 1B will be pre-populated with the federal funds requested for the first future funding year in Section E - Budget Estimates of Federal Funds Needed for Balance of the Project (Figure 28, 4).

6. Click the Save and Continue button at the bottom of the screen to save your work and proceed to the next form.

3.5.1 Completing Form 2: Staffing Profile

1. In the Direct Hire FTEs column, provide the number of Full Time Employees (FTEs) directly hired by the health center and volunteers for each staffing position. Enter zero (0) if not applicable (Figure 31, 1).

2. In the Contract/Agreement FTEs column, indicate whether contracts are used for specific staff categories. (Figure 31, 2). Positions marked Yes should align with Attachment 7: Summary of Contracts and Agreements and Form 5A: Services Provided, Column II.

3. If both direct hire staff and contracts are used, provide the number of Direct Hire FTEs only and check Yes in the Contract/Agreement FTEs column.

**IMPORTANT NOTES:**

- Allocate staff time in the Direct Hire FTE column by function among the staff positions listed. An individual’s FTE should not be duplicated across positions. For example, a provider serving as a part-time family physician and a part-time Clinical Director should be listed in each respective category with the FTE percentage allocated to each position (e.g., CMO 0.3 FTE and family physician 0.7 FTE). Do not exceed 1.0 FTE for any individual.

- The health center must directly employ its Project Director/CEO.

**Figure 31: Direct Hire and Contract/Agreement FTEs columns**

4. To calculate the total Direct Hire FTEs, click on the Calculate button (Figure 32).

**Figure 32: Total FTEs**

5. Click the Save and Continue button to save your work and proceed to the next form.
3.6 Form 3: Income Analysis

Form 3: Income Analysis collects the projected patient services and other income from all sources (other than the Health Center Program grant funds) for the first year of the proposed project. This form has the following sections:

- **Payer Category** (Figure 33, 1)
- **Comments/Explanatory Notes** (Figure 33, 2)

Figure 33: Form 3: Income Analysis

3.6.1 Completing the Payer Category section

The Payer Category section has the following sub-sections:

- Part 1: Patient Service Revenue - Program Income
- Part 2: Other Income - Other Federal, State, Local and Other Income
- Total Non-Federal (Non-Health Center Program) Income (Program Income Plus Other)

To complete the Payer Category section, follow the steps below:
1. In column (a), project the number of Patients by Primary Medical Insurance for each Payer Category in Part 1. Enter 0 if not applicable (Figure 33, 3).

2. In column (b), project the number of Billable Visits for each Payer Category in Part 1. Billable Visits should be greater than or equal to the number of Patients by Primary Medical Insurance in column (a). Enter zero (0) if not applicable (Figure 33, 4).

3. In column (c), provide the amount of Income per Visit for each Payer Category in Part 1. Enter zero (0) if not applicable. (Figure 33, 5).

4. In column (d), calculate the amount of Projected Income for each Payer Category in Parts 1 and 2. Enter zero (0) if not applicable (Figure 33, 6).

5. In column (e), provide the amount of Prior FY Income for each Payer Category in Parts 1 and 2. Enter zero (0) if not applicable (Figure 33, 7).

6. Click the Calculate Total and Save button to calculate and save the values for each Payer Category in Parts 1 and 2. (Figure 33, 8).

**IMPORTANT NOTES:**

- In the Patient Service Revenue - Program Income section, the value in the Projected Income (d) column should equal the value in the Billable Visits (b) column multiplied by the value in the Income per Visit (c) column. If not, provide an explanation in the Comments/Explanatory Notes box.
- The Patients by Primary Medical Insurance (a), Billable Visits (b) and Income Per Visit (c) columns in Part 2 are disabled and set to ‘N/A’.

7. Click the Calculate Total and Save button in the Total Non-Federal (Non-Health Center Program) Income (Program Income Plus Other) section to calculate and save Total Non-Federal Income (Figure 33, 9).

### 3.6.2 Completing the Comments/Explanatory Notes section

In this section, enter any comments/explanations related to this form.

1. As applicable, provide an explanation for each Payer Category for which Projected Income (d) is not equal to the value obtained by multiplying Billable Visits (b) with Income per Visit (c).

2. Note significant exclusions and/or additions to the Billable Visits data in the comments box.

3. Click Save and Continue to save your work and proceed to **Form 5A: Services Provided**.

### 3.7 Form 5A: Services Provided

**Form 5A – Services Provided** identifies the services to be provided and how they will be provided by the applicant organization. You may provide required and additional services directly, by contracting with another provider, or by referral to another provider. These modes of service provision differ according to the service provider and the payment source (Table 1). See the Form 5A Column Descriptors at https://bphc.hrsa.gov/sites/default/files/bphc/programrequirements/scope/form5acolumnndescriptors.pdf for descriptions and requirements for each of the three service delivery modes. All referral arrangements/agreements for services noted on Form 5A as provided via Column II and/or III must be formal written arrangements/agreements.

Only one form is required regardless of the number of proposed sites. *Form 5A – Services Provided* has the following two sections:

- **Required Services** (Figure 34, 1)
- **Additional Services** (Figure 34, 2)
3.7.1 Completing the Required Services Section

To complete this section of Form 5A, follow the instructions below:

1. Check one or more boxes to indicate the service delivery mode(s) for each of the required services as applicable to the proposed NAP project (Figure 34, 3-5). See the Form 5A Service Descriptors at https://bphc.hrsa.gov/sites/default/files/bphc/programrequirements/scope/form5aservicedescriptors.pdf for descriptions of the general elements for all services.

2. Click the Save and Continue button to navigate to the Additional Services section OR click the Save button on the Required Services section and select the Additional Services tab (Figure 34, 2).
IMPORTANT NOTES:

- You must select Column I and/or Column II for the ‘General Primary Medical Care’ (Figure 34, 6) service row for your application to be eligible for funding.

- If you are applying to receive “Health Care for the Homeless” (HCH) sub program funding, as noted in the Budget Information: Section A - Budget Summary form, then you must select at least one service delivery method for the ‘HCH Required Substance Use Disorder Services’ service row (Figure 34, 7) in the Required Services section. If you are not requesting HCH sub program funding, this row will be disabled in your application.

3.7.2 Completing the Additional Services Section

The Additional Services section of Form 5A is optional. You are not required to identify modes of provision for any additional services listed in this section. However, if you will provide additional services in scope through the proposed NAP project, follow the instructions below to complete this section of Form 5A:

1. Check one or more boxes to indicate the service delivery mode(s) for additional services as applicable to the proposed NAP project (Figure 34).

IMPORTANT NOTE: If you are not applying to receive HCH sub program funding, as noted in the Budget Information: Section A - Budget Summary form, you will not be able to select ‘HCH Required Substance Use Disorder Services’ in the Required Services section. However, you may select ‘Substance Use Disorder Services’ in the Additional Services section (Figure 35, 1).
2. After completing Form 5A, click the Save and Continue button to save your work and proceed to the next form.

3.8 Form 5B: Service Sites

Form 5B: Service Sites identifies the sites where you will provide services and/or perform administrative tasks for the NAP project.

You will be able to propose the following types of sites in this form:

- Service Delivery Site
- Administrative/Service Delivery Site
- Admin-only Site

**IMPORTANT NOTE:** You are required to propose at least one ‘Service Delivery’ or ‘Administrative/Service Delivery’ site in the NAP application.

To propose a new site, follow the steps below:

1. Click the Add New Site button *(Figure 36)* provided above the Proposed Sites section.
The system navigates to the **Service Site Checklist** page.

2. Answer the questions displayed on the **Service Site Checklist** page.

**IMPORTANT NOTES:**

- The answer to question 1 must be ‘No’ ([Figure 37, 1](#)) if you will provide required or additional services at the site being added through your NAP application.

- To qualify as a service site, you must select ‘Yes’ for questions ‘a’ through ‘d’.

- Indicate if the site being added is a domestic violence site by answering ‘Yes’ or ‘No’ to question 2 ([Figure 37, 2](#)). Domestic Violence site is a confidential site serving victims of domestic violence and the site address cannot be published due to the necessity to protect the location of the domestic violence shelter.

- If the answer to question 1 is ‘Yes’ ([Figure 37, 1](#)), i.e. if the site being added is an ‘Admin-only’ site, the remaining questions are not applicable.
3. Click the Verify Qualification button (Figure 37, 3).
   - The system navigates to the List of Pre-Registered Performance Sites at HRSA Level page displaying all the sites that are registered by your organization within EHB.

4. To use a new location for the site you are proposing in Form 5B, click the Register Performance Site button (Figure 38, 1) and register your site using the Enterprise Site Repository (ESR) system by following the steps below:
   - On the Basic Information – Enter page, provide a site name and select a site type from the following options: Fixed or Mobile. Click the Next Step button.
   - On the Address – Enter page, enter the physical address of the site. The NAP funding opportunity requires you to provide a verifiable physical street address when registering a new site for your application. Click the Next Step button.
   - On the Register – Confirm page, the system displays physical address you entered on the Address – Enter page along with the standardized format of the address. Select the option you want and click the Confirm button.
   - On the Register – Result page, click the Finish button to register the site to your organization.
5. Select a site for the NAP from the list of pre-registered performance sites and click its Select Site Location link (Figure 38, 2). Standardized addresses will be listed as “Accurate” (Figure 38, 3). If the address is “Approximate,” ensure that the site address entered is a verifiable physical street address.

**IMPORTANT NOTE:** The system disables the Select Site Location link (Figure 38, 4) for the sites under any of the categories mentioned below. You will not be able to select such a site location:

- If the site is already included in the current application.
- If the site is already in your Health Center Program scope or in another award recipient’s Health Center Program scope with active or pending verification status.
- If the site is a Mobile site and applicant is trying to propose an “Admin-only” site.
- If the site is a confidential site and the applicant is trying to propose a non-confidential/non-domestic violence site.
- If the site is a non-confidential site and the applicant is trying to propose a confidential/domestic violence site.

In any of these cases, the system provides you the reasons for which the site is disabled when you hover over the Select Site Location link (Figure 38, 4).
6. If you wish to update the name of any site on the list of pre-registered performance sites, click the Update the Registered Performance Site link (Figure 39) and update the site name.

Figure 39: Update the Registered Performance Site link

7. When you click the Select Site Location link of a site, the system navigates to the Form 5B: Edit page where you must provide all the required information for the site (Figure 40). Fields marked with an asterisk (*) are required.

Figure 40: Form 5B: Edit page
IMPORTANT NOTES:

- If you are proposing to serve Community Health Center, Public Housing Primary Care, and/or Health Care for the Homeless (with or without Migrant Health Center), you must propose at least one Service Delivery site or Administrative/Service Delivery site that has a Location Type as ‘Permanent’, and that operates for at least 40 hours a week.

- If you are requesting only Migrant Health Center funding (based on the sub program you selected in the Section A – Budget Summary form), you must propose at least one Service Delivery site or Administrative/Service Delivery site that has a Location Type as “Permanent” or “Seasonal,” and that operates for at least 40 hours a week.

8. For Service Delivery sites, complete the form by following the steps below:
   - The name, address, and service site type populate from the list of pre-registered performance sites.
   - Select a Location Setting (i.e., all other clinic types, hospital, or school) and Location Type (i.e., permanent, seasonal, or mobile).
   - Enter the date that the site will be or became operational. The date must be no more than 120 days after the project start date.
