Project Concept

Increase access to high quality integrated behavioral health services, including prevention or treatment of mental health conditions and/or SUD, including OUD

Project Requirements

• *Add at least 0.5 SUD and/or mental health service personnel full-time equivalents (FTEs) within 8 months of award*

• *Increase new and/or existing patients receiving SUD and/or mental health services as demonstrated through IBHS progress updates and the 2020 Uniform Data System (UDS) report*
Project Budget

Maximum request is $145,000; HRSA may adjust final award amounts.
Ongoing Funding Contingencies

- Availability of funds in subsequent fiscal years
- Achievement of 0.5 FTE and projected SUD/mental health patient increases
- A decision that continued funding is in the best interest of the federal government

FY 2019 funding may be used 9/1/2019 through the end of FY 2020 H80 budget period
