Key Project Requirements
Reminders
Purpose

To support implementation and advancement of evidence-based strategies to:

• Expand access to quality integrated substance use disorder (SUD) prevention and treatment services, including those addressing opioid use disorder (OUD) and other emerging SUD issues; and/or

• Expand access to quality integrated mental health services (MH), with a focus on conditions that increase risk for, or co-occur with SUD, including OUD.
Project Requirements Reminder

Required for all award recipients:

- **Staffing**: Add at least 1 FTE within 8 months of award (by May 18, 2019)
- **Patients**: Increase patients receiving SUD and/or mental health services by December 31, 2019

Required for award recipients that requested additional MAT funding:

- **MAT Patients**: Increase patients receiving MAT for OUD by December 31, 2019
Key Project Requirements Reminder

The continuation of your FY 2019 SUD-MH funding is contingent on the availability of funds and satisfactory performance against the terms of the awards.

HRSA may not award Year 2 SUD-MH funding if you fail to add at least 1.0 FTE personnel who will expand access to SUD and/or mental health services within 8 months of award (May 18, 2019).
