Public Burden Statement: Health centers (section 330 grant funded and Federally Qualified Health Center look-alikes) deliver comprehensive, high quality, cost-effective primary health care to patients regardless of their ability to pay. The Health Center Program application forms provide essential information to HRSA staff and objective review committee panels for application evaluation; funding recommendation and approval; designation; and monitoring. The OMB control number for this information collection is 0915-0285 and it is valid until 3/31/2023. This information collection is mandatory under the Health Center Program authorized by section 330 of the Public Health Service (PHS) Act ([42 U.S.C. 254b](#)). Public reporting burden for this collection of information is estimated to average 1 hour per response, including the time for reviewing instructions, searching existing data sources, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to HRSA Reports Clearance Officer, 5600 Fishers Lane, Room 14N136B, Rockville, Maryland, 20857 or papenwork@hrsa.gov.

Instructions

- If you currently receive or are applying to receive CHC designation, you are not eligible for a waiver and cannot enter information.
- Indian tribes or tribal, Indian, or urban Indian groups are not required to complete this form and cannot enter information.
- If you wish to continue an existing waiver, you must complete this form.
- When requesting a waiver, present a “good cause” justification describing the need for a waiver of the patient majority board composition requirement, including:
 - The unique characteristics of the special population (migratory and seasonal agricultural workers advocate, former homeless individual, current resident of public housing) or service area that create an undue hardship in recruiting a patient majority.
 - Attempts to recruit a majority of special population board members within the last three years and why these attempts have not been successful.
 - Strategies that will ensure patient participation and input in the direction and ongoing governance of the organization by addressing the following:
 - Collection and documentation of input from the special population(s).
 - Communication of special population(s) input directly to the health center governing board.
- Incorporation of special population(s) input into key areas, including but not limited to: selecting health center services; setting hours of operation of health center sites; defining budget priorities; evaluating the organization’s progress in meeting goals, including patient satisfaction; and assessing the effectiveness of the sliding fee discount program.
