services

How it will increase
patients served at school-
based service sites

Key Points

SBSS Purpose: To increase the number of patients who access comprehensive primary health care through Health Center Program award recipients' **service delivery sites located at schools.**

- Accomplish purpose by:
 - Adding new service delivery site(s) located at schools or
 - Expanding one or more services at existing school-based service site(s)
- Apply for up to \$200,000 per year
- **You may not expand your service area through this application**
- Ongoing compliance is critical
