

**FY 2022 Ending the HIV Epidemic - Primary Care HIV Prevention (PCHP)
Example Budget Narrative and Personnel Justification Table**

Example Budget Narrative

Upload a two-year budget narrative that clearly explains and justifies your proposed PCHP and non-federal expenditures for year 1 and year 2, as demonstrated in the example below. Your budget narrative must provide HRSA with sufficient information to determine if you will use PCHP funds separately and distinctly from other Health Center Program support (e.g., H80 awards). Refer to the PCHP NOFO, Appendix A for example uses of FY 2022 PCHP funding, and section IV.2.iv for detailed guidance on completing the budget narrative and personnel justification table.
