### Health Insurance Marketplace and Medicaid Expansion Outreach and Enrollment in Health Centers Part I

#### **Carrie Cochran**

Carrie Cochran is the Deputy Director for the Office of Planning, Analysis, and Evaluation located within the Health Resources and Services Administration. In that role, she provides leadership on policy matters of important to safety net providers, including implementation of the Affordable Care Act provisions and HRSA's ACA outreach and education efforts.

Prior to OPAE, Carrie served as the Deputy Associate Administrator in HRSA's Office of Rural Health Policy. In that role she assisted with management activities and oversaw the policy and research related activities within the office, including coordinates ORHP's response to policy issues, especially the impact of Medicare and Medicaid regulations on the rural health workforce and service delivery.

Ms. Cochran came to the federal government in 2003 in the HRSA Scholars program. Prior to joining the Office, she was a Project Director for an AmeriCorps program in Montana. Ms. Cochran received her bachelor of arts in sociology at Willamette University and her master of public administration degree with a concentration in health policy from the Maxwell School at Syracuse University.

#### **Phillip Bergquist**

Phillip Bergquist is the Director of Health Center Operations and CHIPRA Project Director for the Michigan Primary Care Association. He received his Bachelors of Science in Mass Communication and Public Relations from Rochester College, completed the Community Health Center Executive Fellowship through the University of Kansas and is currently pursuing his Masters of Business Administration with Spring Arbor University. Since joining MPCA in 2008 Phillip has worked principally in policy, program design and management for initiatives focused on improving the operational efficiency, patient experience, financial management, and outreach/enrollment infrastructures of Michigan Health Centers. Phillip has a diverse set of competencies and expertise including network facilitation, training and technical assistance, health policy, partnership development, dispute resolution and data-guided planning which stem from his varied roles, both as a staff and board member, in community-based nonprofit organizations. Phillip has been recognized nationally as a 2011 Centers for Medicare and Medicaid Services (CMS) Excellence in Children's Health Outreach and Enrollment Honoree and 2012 Nominee for the Geiger Gibson Emerging Leader Award. Phillip also serves on the CMS Advisory Panel on Outreach and Education.

**Luke Logan**

Luke Logan is the Director of Practice Management for Brockton Neighborhood Health Center. Mr. Logan oversees all the clerical departments, including approximately 126 employees. Mr. Logan has been a health center employee for the past 15 years. He is a 2008 graduate of the Community Health and Community Health Center Management Certificate Program at Suffolk University and was awarded the prestigious Geiger Gibson Emerging Young Leaders Award in Washington DC in 2011.

**Matilda Correia**

Ms. Correia is the supervisor for the Intake Department at Brockton Neighborhood Health Center (BNHC). Matilda has been an employee of BNHC for the past 11 years and the supervisor of the Intake Department for the past 9 years. The Intake department is responsible for assisting patients with health insurance enrollment and redetermination. As the Intake supervisor she is responsible for the daily operations of the Intake department and updating and training the Intake staff on insurance regulations and changes.
